

Roto Review

We live by
our motto of
AIM HIGH

Dear parents and caregivers,

It maybe Guy Fawkes today but the real show is happening on Saturday night. It all starts with the Super Hero disco at 6.00pm til 7.30pm. Entry is \$2. Inside there will be drinks and lollies/chips to purchase along with the usual flashing/glowing toys which brighten up the darkness. Still need at least 1 person to help sell the flashing merchandise on the night. If you can help ring Pip Early.

The night continues across the road on the school rugby field: watch the bonfire just over the fence at the Strawbridge House and the fireworks taking off from the school cricket pitch. Families are welcome to continue the tradition of Guy Fawkes and bring along a "guy" to throw on the bonfire.

Thanks to the Roto-o-Rangi Hall committee for the purchase of the fireworks for the night.

Once we arrive at school for the fireworks, there will be the school BBQ ready for anyone who wants to use it to cook their tea.

ROTO ATHLETICS

Next Friday is the ultimate day in athletics because it is Roto-o-Rangi Athletics Day.

As normal the whole school will be participating in events throughout the morning. Each age group will compete in long jump, high jump, shot put, discus/Frisbee, vortex (javelin) and a couple of sprint races. However, the big sprint races, the House relay and Cup races will begin at around 1.30-2.00pm.

So come along and encourage your child's efforts. We want the children to dress up in their house colours as much as possible to develop a bit more of that team spirit.

The following week will be the rural schools' athletics day. We will transport any juniors who arrive at school on the bus, but we may need help transporting seniors if there isn't enough room on the bus. Please let the office know if you are available, thanks.

ASSEMBLY TOMORROW – 9:40AM
MP ROOM with ROOM 4

CONGRATULATIONS TO THE ALL BLACKS.

WHEELS DAY - FOR LIFESKILLS COUNSELLING.

Wheels Day on Tuesday was very enjoyable and the children had a great time. They were extremely sensible and careful, so only the smallest accidents occurred. Here are a few shots of some of the fun.

Thanks for supporting the LifeSkills group with your gold coin donations. Every little bit helps this very worthwhile organisation.

NGA POUTAMA

We are still needing a significant number of the children's Poutama to be returned to their class teachers. They cannot add work being done this term to the portfolio if the portfolio is still at home under the bed or in the trophy cabinet, so please send them back asap.

MONDAY LUNCHES

Hotdogs	\$2.50
Chocolate milk	\$1.50

YUMMY STICKERS

Thanks to all those families who have been collecting and saving Yummy Stickers for our school. We have sent them to the Yummy Company and we now have **\$327.00** to spend on sports gear which is awesome.

Keep on sending your Yummy Stickers to school for next years tally.

CALF REARING/GRAZING SCHEME

If anyone has or knows of families who have donated a calf to our school could they please contact Jason or Michelle to arrange for the calves to be collected next week.

Michelle 827 1978 or 027 560 2974

HOMEWORK

Following on from last week's monologue on "is it necessary to complete homework set by the school", I would like to reiterate the benefits of homework when no other activities are happening. In the first couple of years of school there is such a huge learning curve around reading and writing that doing a little bit reading and writing (learning some simple words like and, said, then, went, etc.) can have a major impact. Whilst this does not mean that your child will be extremely successful if you drill them in these areas, doing some reading and looking at simple words EVERY night will certainly help them back in the classroom. So please spend some time each night having fun with them in this area. Except for the last week at school you can guarantee there is some homework given by the school. If this changes, a note will come home from the teacher.

RUGBY DELEGATE

Cambridge Junior Rugby are holding their Special General Meeting at 7.00pm and AGM on the 25th November at 7.30pm at the Cambridge Junior Rugby Clubrooms. This is during senior school camp.

If there is anyone able to attend on the school's behalf please let the office know asap because we have to submit your name on school letterhead.

CHICKEN POX

We have a confirmed case of chicken pox in the school and as a precaution we are including the information below to help make sure we stop it spreading widely. The information comes from the Ministry of Health website.

Chickenpox is contagious from 1-2 days before the blisters appear. It's most infectious in the last 2 days. It stays contagious until all the blisters have crusted over and no new ones are appearing – which usually takes another 5 days.

Avoid close contact with other people during this period if you or a family member has chickenpox. Keep children home from school or day care.

Remember: chickenpox is serious for pregnant women and people who are have a reduced immune response (eg, children with cancer).

The chickenpox virus is spread through the air by infected people when they sneeze or cough.

- Always turn away from others and use tissues when you cough or sneeze.
- Always wash your hands after coughing, sneezing or blowing your nose.

Chickenpox can also spread through touching the blisters and then touching objects or other people.

- Wash your hands often, especially if you're the caregiver of a child with chickenpox – and make sure they do the same.
- Discourage children from scratching the blisters.

PLAYGROUP

We have had 3 children attend playgroup in the last couple of Thursdays, so spread the word and let's get a lot more coming along.

As it is a playgroup, parents supervise their own children, but it is about coming along to enjoy the friendship and fun. The school MP Room is the venue for the group. There is a kitchen to make a tea/coffee and a chance to share a biscuit/slice/cake.

THURSDAYS from 10-12pm in the MP Room at school.
