Dear parents and caregivers,

INTERNET SAFETY PARENT EVENING

This meeting will be held at Goodwood School Hall from 7pm – 8.30pm. The feedback from a couple of parents who attended the Middle School Parent session was that it extremely informative and helpful. Whilst the focus is around internet safety, he covers other aspects around keeping your children safe too. Definitely worth the time to listen to him. More information about the presenter can be found at <http://www.simulate2educate.co.nz/john-parsons>

Topics covered include

- Identifies the specific challenges children face when using ICT
- Workshop informs parents and gives them the tools to support their children in how to use ICT safely and ethically at home and at school
- Includes guidance on behaviour management processes for parents in the practical situations they will face
- This workshop empowers parents to take responsibility for safeguarding their children.

PSG AGM NEXT TUESDAY

The annual AGM of the PSG is being held next Tuesday night, 15th March, at school starting at the earlier time of **7pm**. Come along and show your support of the team at this meeting. You don't have to volunteer for a job.

Join in the fun, bring along a plate to share, quench your thirst and discuss some of the wonderful events the team are organising this year. It's not all about work!

CAMP

The two senior classes are heading off to Waihi Beach for the Senior School Camp on Monday 21st – 24th March. Children will need to be at school at 8.30 so we can pack the cars and be off by 9.00am. The other classes will be operating as normal and all buses will continue to run as normal.

Thank you to all the parents who have volunteered their time to come on camp and help the children have a wonderful experience.

MANDARIN LESSONS

We are fortunate to be involved with a number of schools in Cambridge to participate in Asian Language Learning. As a result we have a teacher coming to teach the Year 5/6 children (and Mrs Morris) Mandarin.

Three years ago we offered this as an extension activity for a small group of children, but now we can offer it to an entire class, for free.

At Intermediate children are required to learn another language and we see this as a way of preparing our children for that part of the transition to Intermediate. Second language learning is also beneficial to first language learning, and learning about other cultures also helps you appreciate your own culture.

MEET THE TEACHER - THANKS

Thank you to all the people who came to the Meet the Teacher evening. It was nice for the new families to the school / area to have the chance to meet other families in a low key, friendly, social environment. Plus you get to find out exactly what is happening in your child/ren's class.

ASSEMBLY

We will be returning to the usual fortnightly assemblies at school next week, Friday 18th March starting at 9.40am.

All parents are welcome to attend.

Later in the term the children will be presenting work they are doing in class so keep an eye out for when your child's class is presenting their work.

TOWN V COUNTRY CRICKET MATCH

Sadly there is just not enough interest to formally organise the Town v Country cricket match. We will just have to find another sport – maybe tennis – where the teams don't have to be so big just to play. So maybe after Easter a tennis competition could happen. Watch this space!

WAIPA FUNRUN

The annual Waipa FunRun is on **Sunday 13th March** and it would be fantastic to have a bright, yellow shirt contingent there. If you would like your child to compete in the 2km schools' challenge then register on line at:

www.waipafunrun.co.nz/page/RegisterOnline/

There is a cost of \$5 per entry for the event.

This does provide a good advertising opportunity because our school because our shirts are so distinctive. The more who enter, the greater the impact and the better we look.

\$1 from every entry is being donated to Cambridge LifeSkills, a very worthy cause. We have used them regularly over the years, so even if no other reason let's have a lot of entries and support LifeSkills.

RURAL SCHOOLS' SWIMMING SPORTS

Roto-o-Rangi is running the Rural Schools' Swimming Sports on Thursday 17th March out at St Peter's School. This Sports Day is for Year 4 – 6 children only. Year 1-3 will have a normal day at school. Parents are welcome to come along and watch the children swim.

Te Miro PTA will be doing the food for lunch, but we suggest bringing your own lunch to make sure your child has plenty to eat and keep those energy levels up.

AFTER SCHOOL CARE SUPERVISOR

THERE IS NO AFTER SCHOOL CARE TOMORROW FRIDAY 11TH MARCH. The teachers have a staff meeting with the Internet Safety guy and cannot cover this week.

Thanks to Leeanne, a new parent, for offering to cover for the next few weeks, once all the paperwork clears officialdom. However, we need a more permanent supervisor, as Leeanne is giving up her day off only whilst her work roster allows it.

We desperately need an After School Care supervisor for Friday afternoons. The supervisor does need to be over the age of 16, but our preference would be someone aged 20 yrs or older. The time starts at 3.15pm and concludes when the last child leaves (5:30 generally being the latest a child stays.)The pay rate will be based on age and experience and paid per ¼ hr worked. Please contact the principal for further details.
